## Participant Testimonials

Found below are testimonials from several of the workplaces that have participated previous Ardent Sentry Active Shooter Exercises.

### **United Cerebral Palsy of Northwest Florida – Pensacola – Florida**

Hopefully, this exercise will be offered annually.

### **Emerald Coast Utilities Authority – Pensacola – Florida**

As long as we apply what we learned from this exercise to our agency, we will be better prepared to deal with an unknown shooter incident. I just hope we never have to go a real time incident, but if we do I will be better prepared. Thank you

### **Legal Services of North Florida Inc – Pensacola – Florida**

Gave us a chance to talk about an existing informal active shooter response plan and assess it. Including determining who would be responsible for implementing and managing the plan.

### **Emerald Coast Utilities Authority – Cantonment – Florida**

The exercise identified the need for developing an active shooter response plan.

### **Eden Condominiums – Pensacola – Florida**

The exercise was most beneficial and EYE OPENING!
