**SUBJECT:** Clarification of FY11 Exercise Guidance

The purpose of this Information Bulletin is to clarify the exercise guidance included in the following FY11 grant packages:

- Emergency Management Performance Grants (EMPG)
- Freight Rail Security Grant Program (FRSGP)
- Homeland Security Grant Program (HSGP)
- Intercity Bus Security Grant Program (IBSGP)
- Intercity Passenger Rail (AMTRAK)
- Port Security Grant Program (PSGP)
- Tribal Homeland Security Grant Program (THSGP)
- Transit Security Grant Program (TSGP)

**Submission of After Action Report/Improvement Plans**

An After Action Report/Improvement Plan (AAR/IP) must be completed and submitted to [hseep@dhs.gov](mailto:hseep@dhs.gov) within 90 days after conduct of an exercise funded through the grant programs listed above. Please ensure the AAR/IP document is encrypted (password-protected) and the password is also sent to [hseep@dhs.gov](mailto:hseep@dhs.gov) via a separate email.

**Submission of Multi-Year Training and Exercise Plans (TEPs)**

State grantees must conduct an annual Training and Exercise Plan Workshop (TEPW) to develop a Multi-Year Training and Exercise Plan (TEP) and update it annually. All TEPs developed at the UASI level should roll-up to one overarching State TEP, which should be submitted to your respective FEMA Regional Exercise Officer (points of contact listed on the HSEEP website) and to [hseep@dhs.gov](mailto:hseep@dhs.gov) within 90 days after conducting the TEPW.

Grantees are encouraged to utilize the Homeland Security Exercise and Evaluation Program (HSEEP), including the [National Exercise Schedule \(NEXS\)](#) and the Corrective Action Program (CAP) System for exercise scheduling and monitoring and tracking of corrective actions.

### **Number of Exercises Required in EMPG**

All EMPG State grantees will develop and maintain a progressive exercise program consistent with the National Exercise Program Base Plan, to include the planning and conduct of no less than four quarterly exercises (one exercise per quarter) of any type (e.g., Drills, Tabletop Exercises, Functional), and one full-scale exercise within a 12-month period beginning on the date of the grant award. In addition, all EMPG-funded personnel at both the State and local levels shall participate in no less than three exercises in a 12-month period. Real world events do not count toward meeting this requirement.

This guidance, including the process and timeline for submitting AAR/IPs to FEMA, is retroactive to prior years grant guidance.

Additional information and guidance related to AAR/IPs, the CAP System and the NEP Base Plan can be found on the HSEEP website: <https://hseep.dhs.gov>. Questions regarding HSEEP guidance may be directed to [HSEEP@dhs.gov](mailto:HSEEP@dhs.gov); for HSEEP Toolkit technical support, contact the HSEEP helpdesk at [support@hseep.net](mailto:support@hseep.net) or 877-612-HELP (4357).
